Description

Centurion Ri 245. One build slot remaining for 2022 (Late June). Valet or slip availability with purchase.

This is the only surf boat built to take on Big Water. With over 5000 pounds of ballast and a deep V hull, it delivers the biggest, cleanest wave even in Winnepesaukee's rough water. When not surfing the deep V hull outrides most runabouts. This is the must have Winnepesaukee surf boat!
