Description

2009 40' Regal 4060 Commodore w/ Joystick Control *SLIP AVAILABILITY 2023*

Boat is priced to sell, A great opportunity to own an iconic signature express cruiser for a moderate price. Some outstanding features that separate it from others: 1) all freshwater, 2)integrated propulsion system, IPS, with a joystick controller 3) hardtop with extended canopy, 4) Low engine hours, 370 hours, 5) New SeaDeck cockpit and swim platform flooring.

This stunning two-tone beige and white commodore 4060 express cruiser is equipped with the Volvo Penta 375 gasoline engines. The joystick controller has two settings to choose, normal or windy/fast current. The joystick makes docking and navigating in tight places a true joy and a no stress event. The boat could spin on a dime, could walk sideways, and will maneuver and pivot as if it was controlled by an invisible hand. The Volvo Penta engines with IPS and forward-facing propellers render the boat faster than any other boat in its class

The salon and kitchen cabinets are high gloss cherry wood, side-by-side refrigerator and freezer, single sink and double head electric stove on an L-shaped kitchen counter. Microwave oven and a special regal China are standard. Sofa in salon extends to sleep two, with a stowaway table for dining and watching TV. The commodore regal express cruiser boasts two state rooms with sliding doors, each equipped with its own head and shower. Only boat in its class and size with such arrangement. The private second state room is ideal for adult guests who desire privacy.

The hard-topped roof has lighting as well as stereo speakers with an extended canopy that shields from the summer sun and makes the tiered deck cockpit an amazing space to entertain, lounge, or even sleep guests at night with all around covers with isinglass and screen windows. All creature comforts not included in cockpit, with fridge, TV, Radio, and air-conditioning, heating and grill. The bow is accessible from the cockpit through a foldable windshield glass. A semi-circular settee with a dinette table is ideal to entertain guests while anchoring, or while at sea, captain will always have company.

Optional equipment: Twin Volvo IPS, 8.1 Gxi FWC EVC Joystick Control. Hardtop, Two tone hull, Cockpit cover, Sunpad with cover, Cherry and Holly flooring, Gray water, Stereo, Salon TV, Mid Cabin TV, Foreword stateroom TV. Air/Heat, Generator, Windlass, Raytheon E80 Chart plotter, Raytheon Depth Guage, Raytheon VHF, Cockpit refrigerator, Cockpit Grill, Teak cockpit table, Walk thru windshield. Very clean and well cared for. \$169,900
