Factory Description: Welcome to the bigs. Big air most definitely will come from the biggest Sea-Doo Sport Boat ever. And every last inch of it was exclusively designed with the extreme athlete in mind. Like an available 430 hp Rotax power package. Dual ballast tanks. PerfectPass WakeboardPro speed control. Even a rear-facing passenger lounger. Or, as your spotter surely will attest, front-row seat to the one of the most impressive displays on the water.
