Irresistibly playful and highly versatile, the 38 Super Sport contains all the elements of fun. A sizeable cockpit is destined to be the center of attention and activity, while a welcome swim platform conveniently adds to the aquatic enjoyment. Atop the spacious bridge, there's a wet bar and comfortable lounge that accommodates four adults. And an extraordinary sport package option converts the yacht to an inviting sport-fisher. Carver's two-tiered window architecture allows generous views throughout the salon and galley level. Nowhere is the scenery more spectacularly enjoyed than at the raised dinette and L-shaped lounge. The galley is fully equipped and includes essential solid-surface countertops. Two warm and gracious staterooms below boast solid cherry wood doors for added privacy. The master stateroom also has private access to the head, and another head door opens to the hallway, providing access for guests.
